

HAITI		Project Title : Semer l'espoir à Cité Soleil
AVSI		
2008 - 2010		
FAO	Brief Description of Program:	
Place of Performance: Haiti	The project has been implemented in some among the most disadvantaged urban zones in Haiti. The beneficiaries used recycled items as pots to grow pulses in small gardens, backyards or other small places, otherwise unused. This activity had two main advantages: to raise quality and quantity of food intake for vulnerable families and to give them a small income from selling vegetables in excess. Overall, 250 vegetables gardens have been created.	
Award Amount: \$ 86.450		
Award Term: 2008 – 2010		

RWANDA		Project Title : Renforcement des capacités des ménages ressortissants de la Tanzanie á travers l'approche FFS et le JFFLS
AVSI		
2009
